7. Book Description (This will appear on your book's Amazon detail page.)

A well-written description piques readers' interest and assures them that your book is
of high quality. This may be anywhere from one paragraph to a page in length. Please
email this to plpubandlit2@gmail.com.

8. Do you own the publishing rights? ____ Yes ____ No

9. Choose up to 7 key words or phrases that describe your book.

Search keywords help readers find your book when they browse the Amazon site. You can enter keywords or short phrases that describe your book and are relevant to its content. The best keywords are those that do not repeat words in the title, category, or description, as these are already used to help readers find your book. Some types of keywords are prohibited and may result in content being removed from sale.

10. What are your preferred browsing categories. See this link to help you decide: https://bisg.org/page/BISACEdition. The KDP categories are close, not identical.

Choose up to two browse categories.

Why are categories important? A browse category is the section of the Amazon site where users can find your book. Think of the browse category like the sections of a physical bookstore (fiction, history, and so on). You can select up to two browse categories for your book.

11. Adult Content? Does this book contain language, situations, or images inappropriate for children under 18 years of age? ____ Yes ____ No

Paperback Content

1. Do you want a free ISBN?

To comply with industry standards, all paperbacks are required to have a unique ISBN, or International Standard Book Number. To publish a book, you can use either a free ISBN from KDP, or use your own that you purchase elsewhere.

Publication date will be the date the book is uploaded into Kindle Direct Publishing, unless you request a later publication date. Once the book is published, this date cannot change. Date requested if later than upload: _____
